Excellence Grants Deadline

March 31, 2017

The Lafayette Community Foundation is excited to begin the 2017 Excellence Grants cycle. LCF takes great pride in supporting our community and the great work of countless organizations that serve the needs of others. Since 2000, LCF has given more than \$370,000 to a variety of local organizations. Our priority areas of giving include: Arts & Culture, Community Building, Environment, Seniors and Youth Development in Education. As many of our past recipients have noted, the Excellence Grants have allowed for expansion efforts and have helped these organizations achieve their mission of making a difference in the lives of others.

We encourage you to submit your grant application before the **March 31, 2017 deadline**. There will only be one grant cycle in 2017 and recipients will be notified in April. For an application, to learn more about our grants and hear from some of our previous recipients, please visit our website at www.lafayettecf.org.
